

## INQUA – SACCOM – LOESS FOCUS GROUP

# **International Symposium on eolian Dynamics, Paleosols and environmental Change in Drylands**

13 – 16 March 2017 – La Oliva, Fuerteventura, Spain

We are pleased to invite you to take part in this conference. It will take place on Fuerteventura Island where you are welcome to present your recent studies in oral or poster presentation. Furthermore we are looking forward to having interesting discussions and exchange of new ideas in a friendly atmosphere. The conference will last 4 days starting with two days of oral and poster presentations and two final days of field trips.

We asked for financial support at the INQUA Commission on Stratigraphy and Chronology (SACCOM) to make participation for early career scientists possible.

### **Accommodation:**

Apartments (6 persons) and Rooms (triple/double/single) are blocked until the end of September 2016 in two nearby hotels of very good quality.

Prices: Double room from 60 – 88 Euro/night including breakfast

Single room from 45 - 60 Euro/night including breakfast

Apartment 130 Euro/night; breakfast (9 Euro) not included!

Under the following websites you should execute your reservation by your own:

1. Casa Vieja: [www.oasiscasavieja.com](http://www.oasiscasavieja.com)
2. Mahoh Finca Rural: [www.mahoh.com](http://www.mahoh.com)

**Registration fees** (including field trip expenses, proceedings, coffee & tea):

**80 Euro**

**50 Euro** (young researchers, early career scientists, PhD-students and escort)

The scientific program will start in the morning of Monday, 13<sup>th</sup> of March 2017 in the “Teatro Raiz del Pueblo” in the village of La Oliva.

We kindly ask you to hand in an abstract by email ([yesmine.trigui@tu-dresden.de](mailto:yesmine.trigui@tu-dresden.de)). The abstract could include a meaningful figure, however should not exceed one page.

Please note that time for oral presentations (20 Minutes) is limited and that the organizing committee will finally decide about the program flow. We welcome contributions (oral or posters) of early career scientists and young researchers in particular. Please send us the title and the abstract of your presentation by end of November. We aim to publish contributions in a special volume of QI.

As soon as you are registered by email we will inform you about the conditions of payment.

Researchers interested in attending the meeting are kindly invited to register by filling out (respectively mark) the following form and send it to: [yesmine.trigui@tu-dresden.de](mailto:yesmine.trigui@tu-dresden.de)

Dominik Faust & Ludwig Zöllner (TU Dresden, Uni Bayreuth)

**Steering committee:**

Dr. Pierre Antoine (CNRS-Meudon, Paris, France)

Dr. Constantino Criado (Universidad de la Laguna, Spain)

Dr. Dominik Faust (TU Dresden, Germany)

Dr. Will Fletcher (University of Manchester, United Kingdom)

Dr. Penélope González-Sampériz (CSIC Zaragoza, Spain)

Dr. Inmaculada Menéndez-González (IOGAG, Universidad de Las Palmas, Spain)

Dr. Joel Ruskin (University of Haifa, Israel)

Dr. Daniel Wolf (TU Dresden, Germany)

Dr. Yurena Yanes (University of Cincinnati, USA)

Dr. Ludwig Zöllner (University of Bayreuth, Germany)
